*“All of this is a gift from our Creator God, who has pursued us and brought us into a restored and healthy relationship with Him through the Anointed And He has given us the same mission, to bring others back to Him. It is central to ur good news that God was in the anointed making things right between Himself and the world. This means that He does not hold their sins against them . But it also means He charges us to proclaim the message that heals and restores our broken relationships with God and each other.” 2 Corinthians 5:18-19 Voice*
